A detailed flat layout template for a trapezoid paper bag. The template is shown in a perspective view, revealing the front, back, and side panels. Red dashed lines indicate the fold lines and the locations of the handles. A large black smiley face logo is printed on the front panel. The template includes a top flap and a bottom flap, both with fold lines and dashed lines indicating where they meet. The overall shape is a trapezoid, wider at the top than at the bottom.
